

TASK TIME: You are required to fill in your own task time for each task. Task times are unique to your company. If you find other Flat Rate Book companies providing you task times, don't walk away, run away. These is no way task times are to be considered universal. Task times differ by Region, Interpretation of the task, and the skill level of your technicians. Are all your techs at the same skill level? Make your task time **YOUR TASK TIME**. EFLATRATERPRICING software was designed by a contractor for you the contractor. How many flat rate book makers can say that?
